ASE Certification Details

Test	Description	Expiration	Status
MIL1	Fundamentals	12/31/2028	Current

To become ASE certified, you must pass an ASE test and have the required amount of relevant hands-on work experience. Refer to the ASE Work Experience Requirements Important Information section for details or submit the ASE Work Experience Form at https://workexp.ase.com.

An expired certification can be reinstated by taking and passing the corresponding recertification test. Please contact us if you have any questions.
